**INTERAGENCY AGREEMENT
FOR 9-1-1 EMERGENCY COMMUNICATIONS**

This agreement is made by and between the **Randolph County Emergency Telephone System Board (ETSB)** and the **Monroe County Sheriffs Dept.** for the purpose of effective handling and routing of 9-1-1 Emergency Calls. 9-1-1 is available only on a Telephone Exchange Basis and, as such, emergency 9-1-1 calls will be sent to one of two Public Safety Answering Points (PSAPs) that comprise the Randolph County 9-1-1 System.

CALL HANDLING

In general, 9-1-1 calls from within the corporate limits of Sparta will be routed to the Sparta Police Department PSAP. 9-1-1 calls from the unincorporated areas of the County and the other municipalities will be routed to the Randolph County Sheriff's Office PSAP.

Once a 9-1-1 call requiring assistance from Monroe County Sheriff's Dept. is received at one of the PSAPs, the call will be either directly dispatched or transferred to your department by the following methods:

Primary: 1-618-939-8651

The Monroe County Sheriff's Dept. hereby agrees to receive and properly dispose of all related 9-1-1 calls from within its jurisdiction, following the rules and regulations established by the Illinois Commerce Commission, and other applicable state and federal agencies.

AID OUTSIDE JURISDICTION BOUNDARY

Once an emergency unit is dispatched in response to a request through the 9-1-1 system, such unit shall render its service to the requesting party without regard to whether the unit is operating outside of its normal jurisdiction boundary. It is understood that this paragraph is conditional upon acceptance of the call by the Monroe County Sheriff's Dept. If any PSAP dispatcher refers a call to the Monroe County Sheriff's Dept. which is clearly outside of its jurisdictional boundaries, the Monroe County Sheriff's Dept. may refuse to respond by immediately notifying the dispatcher that it will not respond and, if possible, providing advice as to which jurisdiction should receive the call.

The legislative intent is that 9-1-1 be used for emergency calls only. Therefore all calls of an administrative or non-emergency nature will be refused on 9-1-1 and will be referred to your administrative number in the telephone directory.

The Randolph County ETSB agrees to keep all records, including times and places of all 9-1-1 calls transferred to the Monroe County Sheriff's Dept. All records will be available to all participants of the 9-1-1 system.

It is understood that this paragraph is conditional upon acceptance of the call by the Marissa Fire Department. If any PSAP dispatcher refers a call to the Marissa Fire Department which is clearly outside of its jurisdictional boundaries, the Marissa Fire Department may refuse to respond by immediately notifying the dispatcher that it will not respond and, if possible, providing advice as to which jurisdiction should receive the call.

The legislative intent is that 9-1-1 be used for emergency calls only. Therefore all calls of an administrative or non-emergency nature will be refused on 9-1-1 and will be referred to your administrative number in the telephone directory.

The Randolph County ETSB agrees to keep all records, including times and places of all 9-1-1 calls transferred to the Marissa Fire Department. All records will be available to all participants of the 9-1-1 system.

It shall be the responsibility of the Marissa Fire Department to maintain the report of the call and the disposition of each call received.

Any agreements or changes in agreements and operating policies must be submitted in writing and approved by both parties.
